
Networking Guide

To further facilitate academic contacts during the Colloquium, we will provide a conference volume, the Networking Guide, and kindly ask you to provide some information about yourself and your current research project.

Please introduce yourself by 14 November 2016 by submitting the following documents via via the following link: <http://session.conventus.de/index.php?id=398>

- a recent photo of yourself (.jpg file, minimum size of 600 KB, maximum size of 3 MB)
- a brief biography (running prose text, up to 1,500 characters, **no tab form**)
- 3-5 keywords on your current research
- an abstract of your current academic projects with title (running prose text, up to 3,000 characters, **no tab form**).

Additionally, we will print your contact details and data concerning your field of research in the Networking Guide.
