Humboldt Colloquium

**"Research without Borders –
Alexander von Humboldt's Legacy Today"**

**Madrid, Spain
11 - 13 April 2019**

Networking Guide

To further facilitate academic contacts during the Colloquium, we will provide a conference volume, the Networking Guide, and kindly ask you to provide some information about yourself and your current research project.

Please submit the following documents for inclusion in the Networking Guide via the online form at the conference page by 16 December 2018:

- a recent photo of yourself (jpg, png, pdf, doc, docx file, minimum size of 600 KB, maximum size of 5 MB)
- a brief biography (running prose text, up to 1,500 characters, <u>no</u> tab form)
- an abstract of your current academic projects with title (running prose text, up to 3,000 characters, <u>no</u> tab form).

Additionally, the Networking Guide will contain your contact details and data concerning your field of research.
